

General Membership Meeting Recap – May 28, 2025

Dear CHCA Members,

We had a very successful and informative general meeting on Wednesday, May 28th. Our student ambassador, Joshua Krief, was awarded a proclamation from the Town of Huntington in recognition of his civic contributions by Councilwoman Theresa Mari, along with a letter of appreciation from Supervisor Ed Smyth. Dr. Catherine Knight presented a certificate of recognition from the Centerport Harbor Civic Association. Thank you Joshua for a job well done.

Guest Presentations:

-Joshua Krief gave a very informative talk on drug addiction and how to use Narcan in an emergency. Free Narcan kits were given to attendees at the end of the presentation, and it was noted that the kits can be obtained for free at pharmacies.

-Pam Flamm gave a well-received talk on the life pattern and habits of Hummingbirds. Her photos were exceptional, and the presentation was very educational.

Important News:

-There will not be any general meeting in June.

Breaking News: (occurring since our general meeting)

-The Memorial Stone for Gloria Wertheimer was installed in Heron Park on May 30th. The official ceremony/dedication will be on July 19th, starting at 10:00 am. We will send more details in the coming weeks.

-The bricks for the dedications in Heron Park are expected to arrive within a week or so. When they do, they will be installed by the town and will be in place for the ceremony on July 19th.
